

OT EXEMPTION AUDIT

What is OT Exemption Audit?

- It is to assess risk levels of work activities in an organization which are required to be carried out over time beyond 12 hours a day.
- This audit is applicable to those organizations who are applying for Overtime Exemption and will be conducted by MOM/SAC approved Auditing Organization.
- The total man-days required to complete this audit is 1 man-day.
- The audit covers document review, site inspection on verifying the implementation of risk control measures and interview of key personnel.

Benefits of Audit

- Provide safety assurance to employees, customers, suppliers and investors
- Enhance the credibility and reliability
- Help to identify weakness in WSH of the organisations
