

QESH INTERNAL AUDIT

What is this?

- QESH internal audit is a form of inspection and testing for the management system
- This will help to uncover areas that require attention and it can be an opportunity to draw back from day-to-day details and to take look at the whole process with fresh eyes.

Benefits

- Provide safety assurance to employees, customers, suppliers and investors
- Enhance the credibility and reliability
- Help to identify weakness in WSH of the organisations
