

bizSAFE - Five-Step Programme

bizSAFE is a five-step program to assist companies to build up their WSH capabilities in order to achieve improvements in safety and health standards at the workplace.

Five Levels of bizSAFE

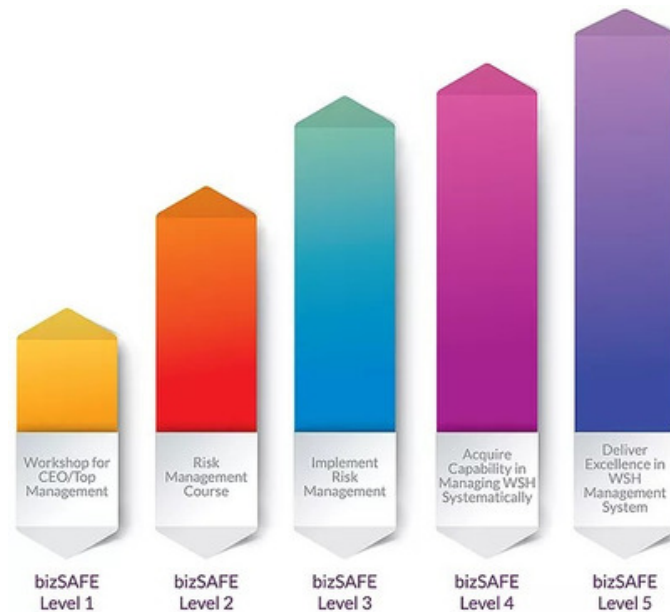

Level 1: CEO/Top Management of a company will attend bizSAFE workshop (Half day)

Level 2: The company will nominate a Risk Management (RM) Champion to attend bizSAFE course (2-days)

Level 3: The company implement the RM Plan as developed in Level 2, and audited by approved MOM/SAC Accredited Certification.

Level 4: The company must nominate (WSHMS) Champion to attend bizSAFE course (4-days)

Level 5: To achieve bizSAFE STAR, your enterprise must obtain SS506 Certification issued by SAC accredited Certification or ISO 45001:2018 certification.

Benefits of bizSAFE

- *Creates a safer and healthier environment for employees*
- *Increase business competitive edges*
- *Gain recognition by bizSAFE partner and industry*
- *Receive bizSAFE certification for each level to attain*
- *Companies are can proudly display the bizSAFE logo on their business collaterals (such as letterheads, name cards, etc.)*
- *Safety mindset is instilled in most employees*
- *Employees are more willing to work*

The logo features the word "bizSAFE" in a stylized font. "biz" is in red, "SAFE" is in grey, and the letter "E" is green with a white cross inside it.
