

# BIZSAFE AWARDS AUDITS

What is this?

- The bizSAFE Awards recognises Small and Medium Enterprises (SMEs) who have attained bizSAFE level 3 and above, and have effectively implemented Risk Management to enhance safety and health performance in their organisations.
- The audit is conducted based on the standard checklist of 100 questionnaire published by WSH Council.
- The audit shall be conducted by SAC Approved WSH Auditors.

Objectives

- The objective of this audit is to assess organizations compliance to elements of Risk Management Programme and also check whether the organization meets criteria to attain the award.
