

# BUS PROGRAMME AUDIT

## What is BUS Programme?

- BUS Programme is Business Under Surveillance Programme under the Ministry of Manpower Singapore.
- It is designed to help poor-performing companies improve their workplace safety and health (WSH) performance by requiring them to develop and implement a robust safety and health management system.
- A company could enter the BUS programme if it has had fatal accidents, demonstrate poor WSH Management, for example, poor site condition which results in the Stop Work Order and also, accumulated demerit points.

## Benefits of Audit

- Provide safety assurance to employees, customers, suppliers and investors
- Enhance the credibility and reliability
- Help to identify weakness in WSH of the organisations
